Quality Assurance and Accreditations.

¹ 5 Yr Guarantee: Indoor. ² 1 Yr Guarantee: Outdoor. UV Protected for outdoor use - exposure to the harsh NZ & Australia UV levels puts the aesthetics of the polypropylene materials at risk of some colour deterioration. Buro polypropylene materials contain stabilisers to limit deterioration for one year however some colour fading may be possible for bright colours such as reds, yellows, greens, and blues. **General:** For In-Store purchases (non stock orders) MOQ and extended lead times may apply, please see buroseating.com for definitions & conditions. In the interests of product development, Buro reserves the right to alter product specifications & features without notice.

Buro Product Stewardship Programme.

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

To mitigate our CO2 footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

Buro proudly support **Greening Australia**.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.
www.greeningaustralia.org.au

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.

*Qualifying furniture must be Buro branded product (Buro Seating, Konfurb, Mondo), or a partner exclusive brand.
^Many of our products are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill.
