The Sequest Classic is an adaptation of one of the all-time boardroom seating hall of famers - the Eames boardroom chair. The design thinking is to retain the original look of thin line horizontal quilting above the desk, and enhance the user comfort by utilising a soft, waterfall front seat pad. This has been combined with a robust knee tilt mechanism & full size 5-star base. Currently finished in a Black powder coated frame/base detailing combined with soft Black or Tan PU upholstery.

Features

- Classic design Meeting/Boardroom swivel chair
- Highest grade soft PU upholstery.
- Tensioned backrest for excellent lumbar support.
- Generous soft seat with waterfall front for comfort
- ANSI/BIFMA tested to 140kg
