## FEATURES

- Modern soft seating visitor chair
- High density foam
- Three distinctive base styles to suit any space: modern metal sled, warm natural ash timber, or flexible height-adjustable castor.

The Camellia brings a perfect balance of elegance and comfort to any space. With its curved seat, it offers a cozy yet professional feel – ideal for welcoming guests. The three different base types add a touch of sophistication and durability, making it a stylish addition to modern offices, reception areas, or collaborative spaces. Its clean, minimalist design ensures it complements a wide range of interiors effortlessly.
