

Mata Architectural

PRODUCT SPEC SHEET 2025

Mata Architectural

10
YEAR
GUARANTEE
☆☆☆☆

The Mata is designed as an unbreakable chair for education and community areas. The injection moulded polypropylene shell is easy to clean, virtually unbreakable & is paired with a range of different bases to ensure a perfect fit to the task at hand. The Mata Architectural has a robust swivel base with high lift & footring for use in areas where a swivel stool is needed, but the environment is not conducive to a fabric/foam chair. Think construction food prep areas, healthcare clean zones & laboratories.

Mata Architectural
with seat pad
