Product Details

Raven

Raven

FEATURES

- Strong, rigid ø20mm steel frame finished in Black powdercoat
- Easy clean, polypropylene sculpted seat and backrest
- Great addition to compliment any collaborative office space
- Pair with Cubit, Anvil, Polo, Ligna or Metallum bar leaners

The Raven is a sleek, versatile barstool that adds style and practicality to collaborative spaces. With its sculpted polypropylene seat, supportive backrest, and durable steel frame, it's built for everyday use in offices, cafés, and breakout areas. Easy to clean and designed to pair seamlessly with Knight bar leaners, the Raven makes quick catch-ups and casual meetings feel effortlessly comfortable.
